5. Licensing & Permits Oral Reports-

Yvette Snow was present to ask the committee about the idea of enforcing the dog tag policy. Yvette stated that very few people actually come in to buy the tags. The following is the number of tags sold each year; 1999 - 16 2000 - 10 2001 - 10 2002 - 20 Yvette stated that the more tags she sells, the more revenue there is for the tribe.

Gary Besaw arrived and took over chairing the meeting at 3:30 p.m.

It was brought to the committee's attention that the latest rumor floating around is that there isn't a dog catcher right now because they put him on patrol. Chairman Besaw said he would check on the dog catcher issue and get back to the committee.

Yvette would also like to find out if the college would like their name on license plates. If Dr. Fowler would go along with the plates, ½ the money made on the plates would go to the tribe and the other half to the College. Yvette wanted to know if she needed a motion to get started with everything. Committee told Yvette to talk to Dr. Fowler and if it is interesting to her then she can come to the committee with the recommendation to create a new plate.
